Re: Civil No. 9:07-CV-163, Whitney Guillory vs. Beaumont Independent School District and Dr. Carol Thomas, Superintendent and Ferguson Parker, Jr., Former Band Director

Dear Judge Heartfield:

On June 15, 2010, the BISD, Dr. Thomas, and Plaintiff appeared for mediation of the above-styled case and as a result this case was settled, subject only to the approval of the Board of Trustees of the Beaumont Independent School District, on June 18, 2010.

Ferguson Parker did not participate in the mediation and was not released.

I sent an earlier letter in which I erroneously reported that the parties settled but I had misremembered that Mr. Parker was not a party to the mediation. I apologize.

Very truly yours,

/s/ Earl F. Hale, Jr.
